

Activities Of Electronics News gathering unit (ENG)

The Electronics News gathering unit (ENG) of this Department are dedicatedly engaged in covering news, news capsules, documentaries through out the time. We have dedicated one camera unit for Hon'ble Chief Minister's media, which is engaged in covering Hon'ble CMs each & every programme inside the state. All these programmes are telecasted through DDK, Bhubaneswar through its Regional News, News Headlines & State scan. Besides these our unit is also catres the visual clippings to other pvt. Medias.

Besides Hon'ble CMs media unit our have 3 more ENG units which are engaged in covering Hon'ble Governor of Odisha's day to day programmes other cabinet Ministers programmes, VIPs & VVIPs.

At an average of 5 programmes in day I & P.R. ENG unit used to cover more than 150 news items in a month except i.e of Hon'ble C.M. In the year 1913 the units most notable event took place is launching of Rs.1 kilo rice at Malkangiri by Hon'ble CM. One of our unit had gone to Malkangiri to cover this programme. Hon'ble Vice President & Hon'ble President's visit to Odisha are also a part of our notable coverage.

During these five months from Jan.1913 to May 1913 the ENG unit has covered more than 850 news items which are duly telecasted through DDK, Bhubaneswar & other regional channels as well. Our team also used to cover documentary films like "Ama Katha Ama Odisha Katha" & "Bikasara Naba Diganta". News which are aired through DDK on every weeked. Both these documentaries contains developmental activities of the Govt. in various districts.
